'Shrinkhala' covers an area of 1,00,000 Square Feet and is strategically located with 2 kilometres of Kolkata Port

effectively using the land given by Kolkata Port Trust. He also expressed keen interest in understanding the future plans of the 'Shrinkhala' plot.

Mr Pramod Kumar Srivastava, Director and CEO, PDP International Pvt. Ltd, said, "The plot is going to be benefi-

cial for the ex-im trade. It will play an important role in handling DPD and DPE shipments. There are future plans of having reefer container storage, empty handling, driver training centre and other facilities."

'Shrinkhala' has a dedicated covered warehousing

space of 60,000 square feet which is ready to use. It has a paved open area of 40,000 square feet. The plot is also equipped with mechanical handling facilities. With its

strategic location and an experienced team with logistics expertise, 'Shrinkhala' has the potential to reach new heights, stressed Mr Srivastava, as per a release.
