

P. D. Prasad & Sons swiftly clears cryogenic oxygen tanks at Panagarh Air Base

Exim News Service

DURGAPUR, May 4

P. D. Prasad & Sons Pvt. Ltd., an AEO-LO certified Customs Broker, has successfully performed Customs clearance of over 60 ISO cryogenic

P. D. PRASAD & SONS PVT. LTD. oxygen tanks at Panagarh Air Base, West Bengal. The tanks had arrived from Dubai, Thailand and Singapore. The swift overnight customs clearance of the consignments could take place due to the availability of complete infrastructural set-up at ICD Durgapur, located within

Clearance of cryogenic oxygen tanks took place in under 1 hour

Oxygen tanks arrived at Panagarh Airbase in West Bengal from Dubai, Thailand and Singapore

15 km of the air base.

Mr Pramod Kumar Srivastava, Director & CEO of P. D. Prasad & Sons, said, "Our company is privileged to handle the oxygen tank consignments in this moment of

crisis. **There has been proper coordination with Commissioner of Customs (Preventive) and the entire Customs team for smooth execution of this movement.** Complete Customs clearance process of each lot took place in under 1 hour and I would also like to congratulate my Durgapur team for their tireless efforts in successfully completing the job. **A huge thanks to the entire Indian Air Force squad at Panagarh for their warm hospitality and support. This service will further continue**

in the upcoming days and we are happy to continue assisting the trade for all future logistics requirements."
